

Who am I (role / position)?

What do I want to achieve? / What is my goal?

Why do I want that? What motivates me?

How do I justify this to myself?

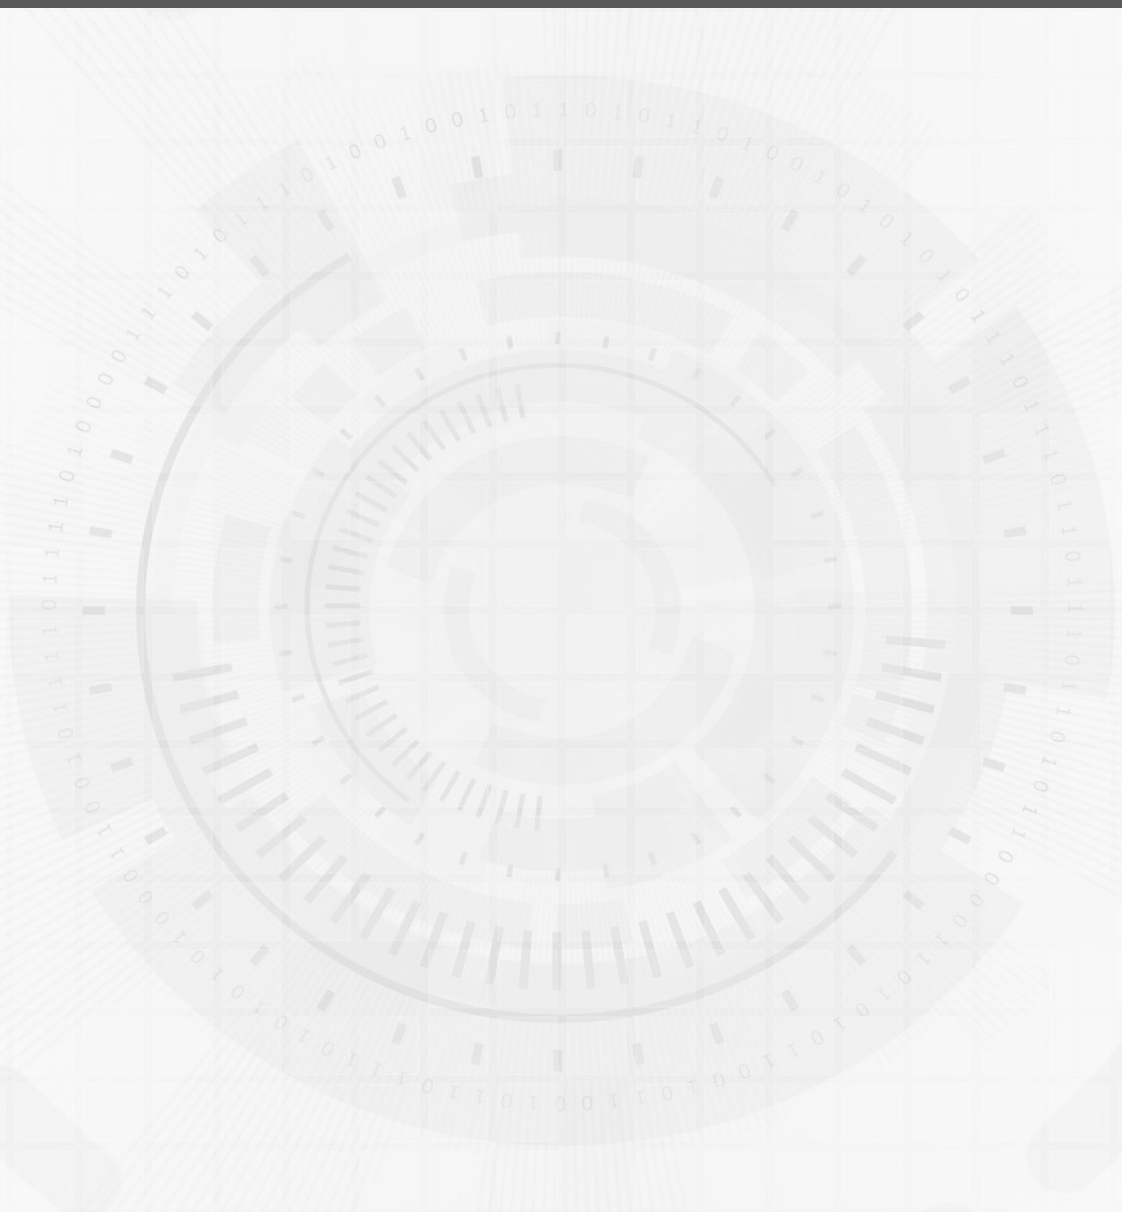

Security Measure

One measure applying to **all** teams:

Scene #:

Location:

To evaluate:	Team / Player
Plausibility How plausible are the role, the assumed conditions (e.g. abilities of the insider, presence of objects) and the scenario?	1-10
Efficiency How is the relation of the achievement of the goal to the effort involved.	1-10
Damage Potential How extensive is the damage to the product or the supply chain?	1-10
Bonus	?
Bonus	?
Bonus	?
