

Who am I (role / position)?

What do I want to achieve? / What is my goal?

Why do I want that? What motivates me?

How do I justify this to myself?

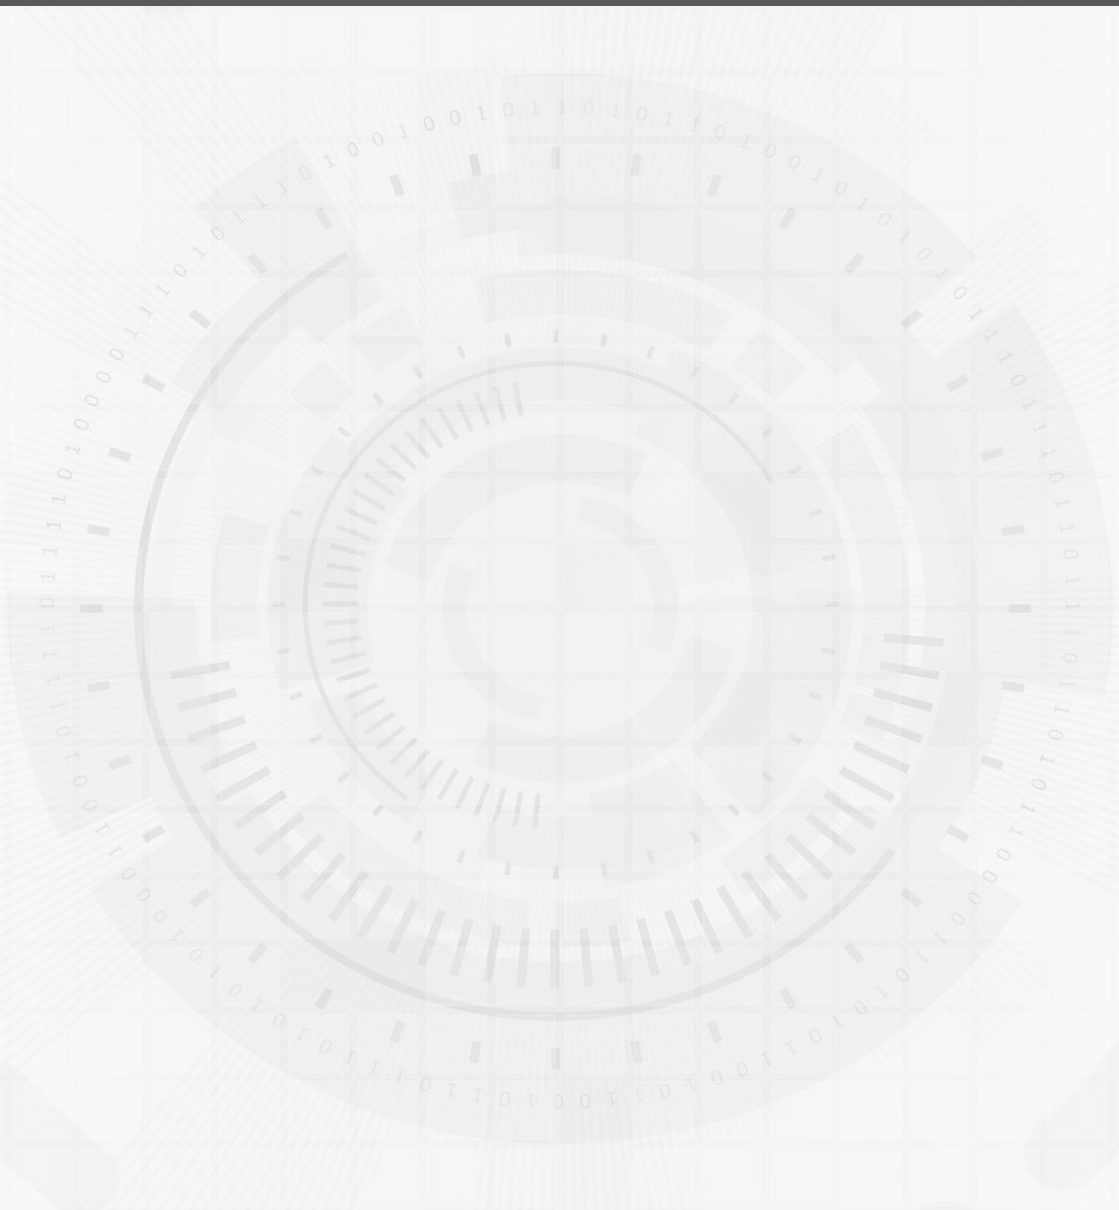

# Security Measure

One measure applying to **all** teams:

Scene #:

Location:

To evaluate:	Team / Player
<b>Plausibility of the Role</b> How plausible are the role and the assumed abilities of the insider?	1-10
<b>Plausibility of the Story</b> How plausible are the attack and the assumed conditions (e.g. presence of objects)?	1-10
<b>Damage Potential</b> How extensive is the damage to the product or the supply chain?	1-10
